We Buy Books

If you live in the Chicago area and have some books that you would like to sell, I would love to purchase them from you. Simply **e-mail** the ISBNs to me, I'll give you a quick quote, and if you like it I'll come and pick them up from you. If you have a large collection we will come to you to evaluate and purchase your books on-site so you have no need to lug them across town.

I have over 10 years of book-buying experience and strive to provide the best customer service and greatest convenience for my sellers. Special consideration is given to rare or valuable items. If you would like more information about my service, please see the **Sell Books** page for a detailed description of my buying policies.
